1. Aims

1.1 The aims of this policy are:

- To ensure compliance with the School's charitable purposes.
- To identify and admit pupils whose academic ability and attitude matches that of the School. These pupils will contribute to and benefit from the ethos, academic education and activities of the School. The School will only admit a pupil who has met the academic criteria.
- To provide a fair means of assessment to all pupils who wish to gain admittance to St Paul's.

1.2 The policy is reviewed annually and revised as appropriate.

2. Entry Points

2.1 St Paul's Juniors

2.1.1 St Paul's Juniors main entry points are at 7+ (Year 3), 8+ (Year 4) and 11+ (Year 7).

2.1.2 Occasional vacancies in St Paul's Juniors may occur at other, non-standard, entry points and a short waiting list is maintained. Enquiries should be made in writing to the Head. Non-standard entry is limited to pupils who were on the School's waiting list after the 8+ entrance examination but not offered a place, and to pupils whose families are expecting to relocate or have recently relocated to the area and who could not have followed our normal admissions procedures. Non-standard entry is available between the beginning of National Curriculum Year 4 and the beginning of Year 6 only and is dependent both on there being a vacancy in the appropriate year group and on the candidate meeting the required academic criteria.

2.1.3 If a pupil registers for but does not join St Paul's Juniors or joins but does not stay for the full duration, parents will be required to reapply to join St Paul's at 13+ or 16+.

2.1.4 Transfer from St Paul's Juniors at 13+ Pupils at St Paul's Juniors hold a place at St Paul's School and transfer automatically at the end of Year 8 subject to good work, conduct and them being able to comfortably meet the academic standards of St Paul's School.

2.1.5 Pupils will be considered for admission if, on 31 August of their proposed year of entry, their age matches the year group for which they are applying e.g. Pupils will be considered for admissions at 8+ if, in the calendar year of entry, they are 8 years old on 31 August.

2.1.6 Pupils whose age does not match the year group date of birth criteria may be considered for admission into a particular year group if there are exceptional circumstances. Parents should write, at least four weeks before the closing date for applications, to the Head who will consider the case and exercise her discretion.

2.2 St Paul's School

2.2.1 St Paul's School main entry points are at 13+ (Year 9) and 16+ (Year 12).

2.2.2 Occasionally, places do become available during Year 9 for the start of Year 10. Parents interested in such a place should contact the Registrar. Any place will be subject to availability, the academic suitability of the applicant and references from his present school.

2.2.3 Pupils at St Paul's School progress from Year 11 to Year 12 subject to good work and conduct.

2.2.4 Pupils will be considered for admission if, on 31 August of their proposed year of entry, their age matches the year group for which they are applying. e.g Pupils will be considered for admissions at 13+ if, in the calendar year of entry, they are 13 years old on 31 August.

2.2.5 Pupils whose age does not match the year group date of birth criteria may be considered for admission into a particular year group if there are exceptional circumstances. Parents should write, at least four weeks before the closing date for applications, to the Director of Admissions who will consider the case and exercise his discretion.

3. Registration

3.1 Registration/application for all year groups is online via the website www.stpaulsschool.org.uk/admissions

3.2 Registration opening and closing dates for different entry points are given online and are strictly adhered to. The school will not accept late registrations. We acknowledge receipt of registrations and applications by email.

3.3 Families of boys applying for assessment in Year 6 must choose whether to register for 11+ entry (Year 7) to SPJ or 13+ entry (Year 9) to SPS. They may not register for both.

3.4 13+ applicants who move to the UK after the registration deadline or for whom there are exceptional circumstances why they could not be assessed in Year 6 may still be considered for admission during Year 8. Parents should write, before the 1st July in the year preceding admission (Year 7), to the Director of Admissions who will consider their case and exercise his discretion.

3.5 Registration does not give rise to a commitment by the School or the parents. Applicants will be considered as candidates for admission to the School when the online application/registration form has been completed and submitted, together with a scanned copy of the pupil's birth certificate or passport and, where required, a non-returnable Registration Fee paid.

3.6 Both parents are required to confirm their agreement to the registration.

3.7 We strongly recommend that boys who wish to be considered for 13+ entry attend a UK Prep School which is familiar with our prescribed syllabus for Years 7 and 8 to ensure they are academically prepared for entry in Year 9.. Boys who are not attending such a school may be considered for admittance if there are exceptional circumstances and providing that we are assured, by their current school, of their continued good progress and conduct. We may require a boy to sit a selection of ISEB 13+ Common Entrance papers to ensure a seamless transition to SPS. The Director of Admissions will consider each case and exercise his discretion.

4. References

4.1 For all levels of entry we will seek a detailed report from the Head of the pupil's current school on his character, academic ability and his extra-curricular involvement and achievements.

4.2 Upon registration of their son, parents are requested that they inform his present school of their application to St Paul's School and we will request a reference shortly after the registration closing date.

4.3 For 11+ applicants a reference will only be requested if the pupil is successful in the ISEB Pre-test and invited to sit the written examinations.

4.4 For 13+ applicants we will also request a prediction of his likely performance in his end of Year 8 exams, which may be ISEB Common Entrance papers.

4.5 For 16+ applicants we will request a prediction of their likely performance in the GCSE or equivalent Year 11 examinations.

5.3.4 Places are offered to candidates who, throughout all aspects of the Admissions process demonstrate they can comfortably meet the academic standards of the School and will thrive here. In the case of a limited number of places, they will be offered in order of merit. Parents must accept the offer by returning the completed and signed Acceptance Form and pay the Acceptance Deposit on or before the date stipulated in the offer letter, after which the offer will be withdrawn.

5.4 Assessment Process for entry at 13+

5.4.1 All candidates are required to take the [ISEB online pre-test](#) in the Autumn term of Year 6. The test must be taken between the start of October and the end of November, either at a pupil's current school or at St Paul's School.

5.4.2 Following review of the test results and school reference candidates may be invited to interview at St Paul's School. Parents are advised of the decision by the end of December. Those who are not invited to interview will not be offered a place at 13+.

5.4.3 Applicants who are called for interview will be assessed between January and June of Year 6. Parents are also invited to attend and have the opportunity to talk to a senior member of staff whilst their son is being assessed.

The assessment at interview consists of two parts. The candidate will initially complete a short Mathematics paper and a short English written task. This will be followed by two 20 minute interviews with senior members of staff. The pupil will be asked questions on his interests and a wide range of academic topics.

5.4.4 Parents are notified of our decision in writing within 21 days of the interview.

5.4.5 After reviewing, against the academic standards of the School, the candidate's reference, ISEB pre-test results, responses to the written questions, interviews and together with his potential to thrive at the School, we will either:

1. Make an **Unconditional Offer** and place the candidate on our **Main List**. Offers made for 2020 are **conditional** on the candidate achieving our stipulated requirement in their offer letter (a minimum of 70% in each subject in the Common Entrance Examinations or an equivalent standard in our Scholarship Examinations).
2. Make a **conditional** offer if the candidate is not at a school following a curriculum appropriate to the knowledge and skills required to enter St Paul's at 13+ (see 5.4.7 below)
3. Offer the candidate a place on our **Reserve List**.
4. Be unable to offer the candidate a place.

Main List

5.4.6 For 2021 13+ entry onwards an offer of a place, following interview, is not conditional on a set standard at Common Entrance or in our Scholarship examinations, but remains conditional upon continued strong academic progress and good conduct over the following two years. In Years 7 and 8 we will request an unreserved assurance from the Head teacher that a boy remains on the right trajectory for St Paul's. .

5.4.7 It is important that all boys joining St Paul's at 13+ do so with the subject knowledge, academic skills, attitude and work habits that are essential to benefiting from the type of education we provide at this age. To ensure this, St Paul's has produced outline subject specifications for Years 7 and 8, based on the Common Entrance syllabus. This curriculum covers English, History, Geography, Religious Studies, French, Science, Mathematics (equivalent to Common Entrance Level 3) and Latin (equivalent to Level 3).

5.4.8 Offers to boys who are not attending schools following the St Paul's curriculum will be made at the discretion of the Director of Admissions who will decide what alternative entry requirements will be acceptable. He will need to be assured that the candidate's current school curriculum and level of teaching is appropriate and that the candidate will be able to join the school having covered a broadly similar curriculum to the same level as his peers.

5.4.9 To accept the offer parents must return the completed and signed Acceptance Form and pay the Acceptance Deposit on or before the stated date in the offer letter, after which the offer will be withdrawn.

Reserve List

5.4.10 In the Autumn term of Year 8 we review the progress of those pupils on the Reserve List who still wish to be considered for admission.

5.4.11 For those candidates wishing to be considered an up-to-date reference will be sought from their current school detailing progress since any previous reports. Candidates will sit written examinations in Mathematics and English.

5.4.12 Candidates will be considered for places on the Main List after reviewing, against the academic standards of the School, their reference and examination performance, together with their potential to thrive at the School. In the case of a limited number of available Main List places, they will be offered in order of merit.

5.4.13 Candidates who have recently moved to the UK or for whom there are exceptional circumstances why they could not be assessed in Year 6 may still be considered for 13+ admission during the Reserve List process at the start of Year 8. Following registration, a detailed reference from the Head of their current school will be requested and they will be required to sit the Reserve List examinations. Post review of the examination results and Head Teacher's reference, a pupil may be invited to interview. After which, subject to availability and the pupil's performance relative to all other pupils sitting the Reserve List examinations, a Main List place may be offered.

5.5 Assessment Process for entry at 16+

5.5.1 Candidates will be invited to an examination day at St Paul's at the start of November, subject to a satisfactory application being received by the stated deadline. References must be received before the examination day.

5.5.2 Candidates will be examined in each of the subjects they have chosen to study in the Eighth Form. They will also sit verbal and numerical reasoning papers.

5.5.3 Following review of the examination results and references, candidates who match the academic profile of the School are invited for interview. Candidates not invited for interview will not be offered a 16+ place at St Paul's.

Candidates will be interviewed by a member of staff in each of their chosen subjects and have a pastoral interview with a senior member of staff. If the candidate is applying for a boarding place, there will then be an opportunity to tour the boarding house and meet with the boarding House Master.

5.5.5 Letters are sent on 1 December to all candidates interviewed, advising on the outcome of their application.

5.5.6 Places are offered to candidates who in all stages of the Admissions process, demonstrate scholarship, can comfortably meet the high academic standards of the school and are likely to make a notable contribution to school life.

5.5.7 Offers are conditional on candidates achieving specified grades in their GCSE or similar Year 11 examinations. In the case of a limited number of places, they will be offered in order of merit. To accept the offer Parents must return the completed and signed Acceptance Form and pay the Acceptance Deposit on or before the date stated in the offer letter after which the offer will be withdrawn.

5.5.8 Once final exam marks or reports which the conditional offer depends upon are published they must be forwarded to St Paul's School so that the place can be confirmed.
