1. Aims

1.1 The aims of this policy are:

- To ensure compliance with the School's charitable purposes.
- To identify and admit pupils whose academic ability and attitude matches that of the School. These pupils will contribute to and benefit from the ethos, academic education and activities of the School. The School will only admit a pupil who has met the academic criteria.
- To provide a fair means of assessment for all candidates who wish to gain admittance to St Paul's.

1.2 The policy is reviewed annually and revised as appropriate.

2. Terminology

The School or We: means St Paul's School which comprises both St Paul's School (SPS) and its preparatory school, St Paul's Prep School .

Parents: means any person who has legal responsibility for the child, would sign the Acceptance Form and accept responsibility for a child's attendance at this School.

3. Entry Points

3.1 St Paul's Juniors

3.1.1 St Paul's Prep School main entry points are at 7+ (Year 3), 8+ (Year 4) and 11+ (Year 7).

3.1.2 Occasional places in St Paul's Prep School may occur at other, non-standard, entry points and a short waiting list is maintained. Enquiries should be made in writing to the Head. Non-standard entry is limited to pupils who were on the School's waiting list after the 8+ entrance examination but not offered a place, and to pupils whose families are expecting to relocate or have recently relocated to the area and who could not have followed our normal admissions procedures. Where there are other exceptional circumstances, the Head will consider the case and exercise their discretion. Non-standard entry is available between the beginning of National Curriculum Year 4 and the beginning of Year 6 only and is dependent both on there being a vacancy in the appropriate year group and on the candidate meeting the required academic criteria.

3.1.3 If a child registers for but does not join St Paul's Prep School or joins but does not stay for the full duration, parents will be required to reapply to join St Paul's at 13+ or 16+.

3.1.4 **Transfer from St Paul's Prep School at 13+** Pupils at St Paul's Prep School hold a place at St Paul's School and transfer at the end of Year 8 subject to good work, conduct and them being able to comfortably meet the academic standards of St Paul's School. At the start of October, the Director of Admissions will ask the Parents of all Year 8 children to confirm their intention to progress to the senior school.

3.1.5 Children will be considered for admission if, on 31 August of their proposed year of entry, their age matches the year group for which they are applying e.g. children will be considered for admissions at 8+ if, in the calendar year of entry, they are 8 years old on 31 August.

3.1.6 Children whose ages do not match the year group date of birth criteria, may be considered for admission into a particular year group if there are exceptional circumstances. Parents should write, at least four weeks before the closing date for applications, to the Head who will consider the case and exercise their discretion.

3.2 St Paul's School

3.2.1 St Paul's School's main entry points are at 13+ (Year 9) and 16+ (Year 12).

3.2.2 Occasionally, places may become available during Year 9 for the start of Year 10. Parents interested in a Year 10 place for their child should contact the Registrar. Any place will be subject to availability, the academic suitability of the applicant and references from their present school.

3.2.3 Pupils at St Paul's School progress from Year 11 to Year 12 subject to good work and conduct.

3.2.4 Pupils will be considered for admission if, on 31 August of their proposed year of entry, their age matches the year group for which they are applying e.g. pupils will be considered for admissions at 13+ if, in the calendar year of entry, they are 13 years old on 31 August.

3.2.5 Children whose age does not match the year group date of birth criteria may be considered for admission into a particular year group if there are exceptional circumstances. Parents should write, at least four weeks before the closing date for applications, to the Director of Admissions who will consider the case and exercise their discretion.

4. Registration

4.1 Registration for all entry points is online via the website www.stpaulsschool.org.uk/admissions

4.2 Registration opening and closing dates for different entry points are given online and are strictly adhered to. The school will not accept late registrations. We acknowledge receipt of registrations and applications by email.

4.3 Parents of children applying for assessment in Year 6 must choose whether to register for 11+ entry (Year 7) to St Paul's Prep School or 13+ entry (Year 9) to SPS. They may not register for both.

4.4 Potential 13+ candidates who move to the UK after the registration deadline, or for whom there are exceptional circumstances as to why they could not be assessed in Year 6, may still be considered for admission during Year 8. Parents should write, before the 1st July in the year preceding admission (Year 7), to the Director of Admissions who will consider their case and exercise their discretion.

4.5 Registration does not give rise to a commitment by the School or the Parents. Applicants will be considered as candidates for admission to the School when the online registration form has been completed and submitted, together with a scanned copy of the pupil's passport and a non-returnable Registration Fee paid.

4.6 Both Parents (all those with legal responsibility for the child) are required to confirm their agreement to the registration.

4.7 We strongly recommend that children who wish to be considered for 13+ entry attend a UK Prep School, which is familiar with our prescribed syllabus for Years 7 and 8 to ensure that they are academically prepared for entry in Year 9. Children not attending such a school, may be considered for admittance if there are exceptional circumstances and providing that we are assured, by their current school, of their continued good progress and conduct. We may require a child to sit a selection of ISEB 13+ Common Entrance papers to ensure a seamless academic transition into SPS. The Director of Admissions will consider each case and exercise their discretion.

5. References

5.1 For all levels of entry we will seek a detailed report from the Head of the candidate's current school on their character, academic ability, co-curricular involvement and achievements.

5.2 Upon registration of their child, Parents are requested to inform their child's present school of their application to St Paul's School.

5.3 For 11+ candidates a reference will only be requested if the candidate is successful in the ISEB Pre-test and invited to sit the written examinations.

5.4 For 16+ candidates we will request a prediction of their likely performance in their GCSE or equivalent Year 11 examinations.

All senior schools using the ISEB Common pre-test will be able to access the candidates details and results. The tests are only taken once

6.4.2 Following a review of their pre-test results, candidates will be invited to sit written examinations in English and Mathematics at St Paul's School in January. Candidates will have two 20-minute interviews with a member of our teaching staff during which time they will be asked questions from a range of academic subjects. They will also be given an opportunity to discuss their co-curricular interests and explore their character traits. Parents will also have an opportunity to meet the High Master and senior members of staff in small groups.

6.4.7 To ensure that all children joining the School at 13+ do so with the correct subject knowledge and academic skills, offers made to boys who will be not studying at a UK Prep School for Years 7 and 8, may be made conditional upon additional academic assessment. For example, a requirement to achieve at least 70% in a small selection of Common Entrance papers at the end of Year 8. This is all at the discretion of the Director of Admissions.

6.4.9 To accept the offer parents must return the completed and signed Acceptance Form and pay the Acceptance Deposit on or before the stated date in the offer letter, after which the offer will be withdrawn.

To accept the offer Parents must return the completed and signed Acceptance Form and pay the Acceptance Deposit on or before the date stated in the offer letter after which, the offer will be withdrawn.

6.5.8 When the final examination grades or reports, upon which the conditional offer depends, are published they must be forwarded to St Paul's School so that the place can be confirmed.

9. Immigration

9.1 The School currently holds a licence to sponsor international students under the Child Student Visa Route. . A requirement of a license holder is that we must identify the nationality of all pupils and receive evidence of their right to study in the UK. This will be requested at acceptance.

9.2 Those candidates for 13+ and 16+ entry who are offered and accept a place at the School and do not have the requisite immigration status to study in the UK, may request that the School sponsor them for a Child Student visa. We do not sponsor pupils joining St Paul's Juniors. The charge for the administration of the sponsorship process is £1,200 each time a Confirmation of Acceptance to Study (CAS) is raised. (Years 9 and Years 12) This is payable on acceptance of a place at the School. In addition, there is an annual retainer cost of £600 to cover administration fees which will be added to the pupil's Book Room account at the end of each academic year.

9.3 Pupils who are sponsored by the school via the Child Student Visa route must reside in full boarding house for the duration of their time at the school

9.4 Where international pupils need to apply for a Child Student visa in order to study in the UK, the required CAS (Confirmation of Acceptance to Study) number will not be issued until the School is satisfied that appropriate Educational Guardian arrangements are in place and the pupil has satisfied the conditions of their offer. Only 13+ and 16+ applicants may apply for a Child Student visa.

9.5 The School has the right to terminate the place at any time if a pupil does not have the appropriate immigration permission to enter and live in the United Kingdom whilst studying at the School.

Further information is available in the School's [Accessibility Policy and Plan](#).

10.2 It is the responsibility of parents to make the School aware, at registration, or subsequently before accepting the offer of a place, of any known disability or special educational need, which may affect a pupil's ability to participate in the admissions process and take full advantage of the education provided at the School. Copies of any reports carried out by specialists such as a Chartered Educational Psychologist should be provided to the School, in order that all reasonable adjustments can be taken to ensure that the admission procedure is accessible for the candidate and that the School can cater adequately for the candidate should an offer of a place be made. Similarly, if special education needs or a disability become apparent after admission, the School will consult with parents about reasonable adjustments in order to allow the child to continue at the School.

10.3 Once pupils join the School, we cannot guarantee that any exam concessions awarded by us for Admissions assessments, Common Entrance or Scholarship Examinations will continue in and beyond Year 9. This is in accordance with current Joint Council for Qualifications [JCQ] regulation. The JCQ's decision whether to award public exam concessions to a pupil is founded on school-based evidence of on-going need which St Paul's must gather from Year 9 onwards and must be in place **prior** to a further reassessment of the pupil's special education needs taking place.

10.4 If there are any aspects of the education or school life at St Paul's School which parents feel are particularly important to them and on which they require clarification before accepting a place at the School, they should contact the Admissions department.
